The symphony of life

Life is the understanding of this every moment

Life is a pleasant custom. Life is not something that can be forgotten on the shelf of habit by you and me.

Life is a great secret flowing within us.

Life is the distance between our coming and going.

Life is the weight of a glance that remains in memories.

Life is getting drenched repeatedly; life is bathing in the pool of the present

Life is beautiful scene of you and my artistry. Each person sings their own song and leaves the stage.

Poetry by Sohrab Sepehri

سمفونی زندگی

زندگی درک همین اکنون است. زندگی رسم خوشایندی است. زندگی چیزی نیست که لب
طاقچه عادت از یاد من و تو برود. زندگی راز بزرگی است که در ما جاری ست. زندگی فاصله
آمدن و رفتن ماست. زندگی وزن نگاهی است که در خاطره ها می ماند. زندگی تر شدن پی در
پی، زندگی آب تنی کردن در حوضچه اکنون است. زندگی صحنه زیبای هنرمندی من و تو
است. هرکس نغمه خود خواند و از صحنه رود
